Informative - Educational | Improving your skills and knowledge

Nonverbal Communication: An Essential Element of Patient-Centered Care

Effective verbal communication is the bedrock of high-quality, patient-centered care. Healthcare providers undoubtedly are aware of the continued emphasis and importance placed on verbal communication through various quality measures and standards. However, much of daily communication is nonverbal and may encompass facial expressions, gestures, eye contact, posture, and tone of voice.

Protect Your
Health and
Retirement
with a Medicare
Supplement
Plan

Choosing the plan(s) that work best for an individual can be complicated. TMA Insurance Trust has experienced advisors that can help physicians make wise decisions as to which coverage meets their needs. These licensed professionals have years of experience assisting and guiding physicians and their family members in making the best possible choices when it comes to their health insurance.

Case Closed

By TMLT a Platinum Sponsor of BCMS

About Case Closed: Trial Victories is a collection of cases that were won at trial. These cases symbolize a long journey for each policyholder involved . . . the journey from accusation to vindication in the courtroom.
