## The Bexar County Medical Society

---

The Bexar County Medical Society (BCMS) was established in 1853 as the first county medical society in Texas and was a pioneer in organized medicine. The Bexar County Medical Society covers not only Bexar County, but includes surrounding, contiguous counties that enjoys an average annual membership of approximately 5000 physician members representing all recognized medical specialties. This makes BCMS the eighth largest county medical society in the United States.

## The Circle of Friends program

---

The Bexar County Medical Society offers a community business development initiative, called the Circle of Friends (COF).

This is a program designed for companies and organizations like yours that would like to reach out to our medical community and our 5000 physician members with your products and services. Our program is designed to encourage and promote business growth with physicians and the healthcare community. Historically, the Circle of Friends program has proven to be the best resource for engaging physicians as potential clients, physician referrals, brand awareness/recognition and positive public relations in our healthcare community. Through the COF program, we have successfully helped many businesses grow. Also note, the charitable donations made as sponsors in the Circle of Friends program help fund programs and events that are important to our Community's health and the physicians that serve it.

It's a win-win scenario!

## Successful Marketing using the Circle of Friends resources:

---

*The combined medical sectors in San Antonio now have a local economic impact of over \$35 billion per year and employ one of every 6 citizens in our local workforce.*

# Meet Our Physicians

*The Bexar County Medical Society offers Circle of Friends sponsors many opportunities to meet, network and communicate directly with physicians through a variety of BCMS-sponsored events and meetings.*

**\*Other Special Events and Meeting.** Held throughout the year as opportunities arise.

*Communicate and advertise your company's products and services.*

*You will have great exposure through:*

## San Antonio Medicine Magazine

### Monthly Service Directory

This major monthly medical publication contains a monthly directory of Circle of Friends donors by service line, and is distributed throughout Bexar and surrounding counties to more than 8000+ physicians and medical professionals. As a Platinum or Gold sponsor, you are also invited to contribute articles to this publication. An article in this major publication is a great way to convey your company's or organization's services and products to our South Texas medical community.

## Physician and Medical Directory

### Annual Directory

The only Physician and Medical Directory officially sanctioned by the Bexar County Medical Society listing physicians licensed in Texas who practice in Bexar and the surrounding counties. This is the directory which is the most requested by physicians, hospitals, insurance companies, medical office personnel, medical vendors and consumers. It is one of the best ways to gain the exposure your company or organization needs to promote its services and products to the south Texas medical community.

## On-line Service Directory

### Updated Quarterly

It's like an Angie's list for doctors. This directory is available through our website and is used by our physician membership. The BCMS Service Directory is updated quarterly to ensure Circle of Friends members have the most accurate exposure in the medical community.

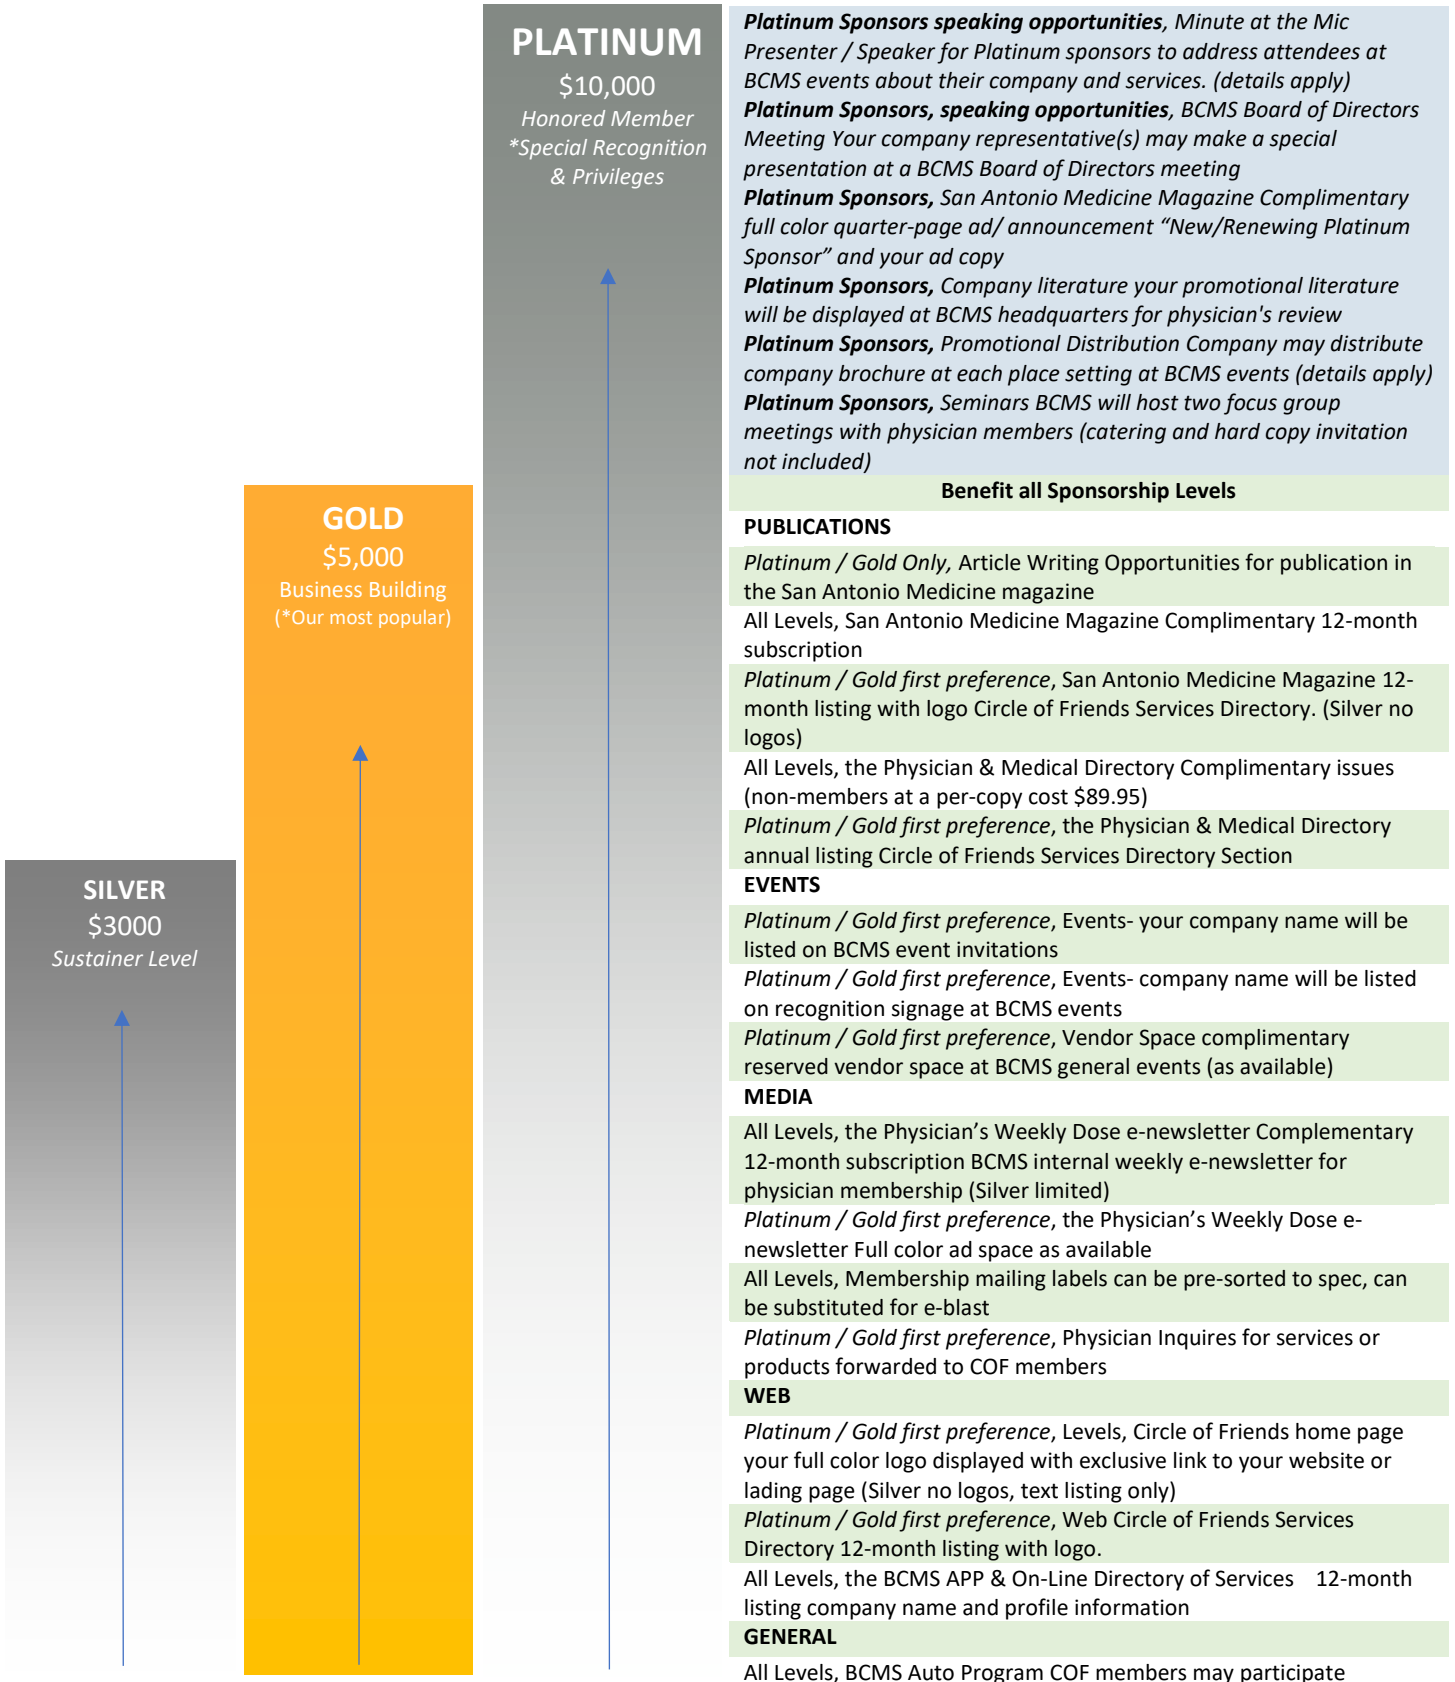

## BCMS Phone App

### Updated Daily

Your information will be placed conveniently in front of physicians for easy reference. In addition, as a Circle of Friends sponsor you will have access to our calendar of events, staff, and other important information through our phone app.
