

COVID-19 Volunteer Opportunities

Volunteer Licensed Medical Professionals and others are needed for the Mass Vaccination Clinics being held at the Alamo Dome and the Mobile Vaccination Clinic being run by San Antonio Fire. All vaccinators/drawers must register on the [Texas Disaster Volunteer Registry \(TDVR\)](#) with the Alamo Area Medical Reserve Corps (MRC).

Physician Volunteer Testimonial

"I strongly encourage you to consider volunteering for the Metro Health COVID Mass Vaccination Clinic held at the Alamo Dome. This important community project is well-organized, runs efficiently, and significantly improves the health of our fellow citizens. That said, I have never seen so many people happy and excited to receive health care. Have fun while making a difference! I did!"

Adam V Ratner, MD, FACR
